ILLINOIS FOR GRESHAM.

Read 'Fact

THE strongest woman will be tired out after a day spent in washing clothes or cleaning house in the old way, with the old means. With the aid of JAMES PYLE'S PEARLINE a delicate woman can do the same work with comparative ease—far better—in less time. It virtually takes the hard work out of any task for which soap is used, and is harmless to fabric or hands.

Millions use it—Do you? Pearline is never peddled—but sold by all grocers.
